Re: Report and Order Terminating Term of Probation

On June 30, 2004, Ms. Yu was sentenced in the District Court of the Northern Mariana Islands for Attempted Improper Entry by an Alien, in violation of 8 U.S.C. § 1325(a). She was ordered to serve one year probation with conditions to include: that she not commit another federal, state, or local crime; pay a special assessment fee of \$10.00; comply with the standard conditions of probation as set forth by the U.S. Sentencing Commission; and perform 100 hours community service. The Court also ordered that Ms. Yu not unlawfully possess a controlled substance, but suspended the drug testing condition based on its determination that she poses a low risk for future substance abuse.

Ms. Yu has complied with the conditions of her supervised release. She paid her special assessment fee on June 30, 2004, and completed the 100 hours of community service on August 12, 2004.

Ms. Yu's supervised release expired on June 29, 2005. Therefore, it is recommended that she be discharged from supervised release and the proceedings in this case be terminated.

RESPECTFULLY submitted this 13th day of July 2005.
